

## Provision of Information

Information provided by Bejo Zaden B.V. in any form whatsoever is without commitment. Descriptions, recommendations and illustrations in promotional publications like websites, catalogues and brochures are based as closely as possible on experiences in tests and in practice and are intended for general information purposes only and not as an indication of quality and/or guarantee. Bejo Zaden B.V. in no event accepts any liability, however, on the basis of such information for different results obtained in the cultivated product. The buyer must determine whether the products are suitable for the intended horticultural crop and/or can be used under local conditions.

For the most up to date information on resistance terminology and codes, product forms and product specifications, statements, intellectual property rights and our terms and conditions of sale and delivery, please see our web site [www.bejo.com](http://www.bejo.com).
